What is your current job and what does that entail?

Currently playing Galileo on the National Tour of Queen's We Will Rock You Musical. Previous work as Vocal Captain for Celebrity Cruise Productions. TV credits include Baxter (Family Channel), My Babysitter's A Vampire (Disney) The Listener (CTV) and production work for So You Think You Can Dance Canada, Sony Pictures, Toronto International Film Festival, The Kardashians and Boots and Hearts Festival.

Please comment on any skills you feel you have developed in RAP?

Rap taught me how saying 'yes' to new opportunities can build your network, skillset and time management skills. St. Elizabeth provides an array of extra circular activities with excellent instruction and the more you become a part of the, the more diversity you will have to offer in the future.

What is your most fond memory of RAP?

My favourite memory is Vocal night in grade 9. I enjoyed watching the older students perform and learning from them. I attribute my performing foundations from my peers in RAP. Challenge yourself. Be open to critique from teachers.

Why did you choose to attend St. Elizabeth?

I chose to attend St. Elizabeth because my older sister was in RAP Dance and I always admired her. Her high school experience was filled with life and excitement getting to do her passion every day. My experience lived up to every expectation and exceeded them as well.
